Register Online at Vendors.OK.gov

As a registered vendor you will automatically be notified of opportunities to do business with the State for the specific commodities that you chose to register for notification.

Log onto the Online Vendor Registration System at Vendors.OK.gov and register with the State electronically. The Online Vendor Registration System accepts Visa, MasterCard, Discover, American Express, and checking/savings account payments for registration and annual renewals. The payments are processed through a secure payment engine, which abides by rigorous policies and procedures to ensure that vendors can be confident that their payments are safe, private, and secure.

You can also download the forms, instructions, and register by mail at Vendors.OK.gov. Completed mail in registration forms should be mailed to the DCS Central Purchasing Division address listed below.

It is our hope that your company chooses to register for this notification service, and that you visit Vendors.OK.gov often to monitor the progress we are making to better serve our supplier community.

If you have any questions or require additional information not included on Vendors.OK.gov, you may reference the Central Purchasing Frequently Asked Questions page available at www.dcs.ok.gov, or contact the Vendor Registration Administrator by phone or email as listed below.
